Wai Ormus Gold is a higher frequency holistic living super food. Known as the 'fountain of youth' and the 'elixir of life' it is filled with nutrients and contains the full spectrum of mono-atomic elements, minerals, vitamins, amino acids, electrolytes, ocean plasma and pure Gold. Its a form of liquid crystalline that will accelerate consciousness and wellbeing.

**Wai Ormus Gold** improves energy function, enhances nutrients, increases immune system, stimulates metabolism, repairs connectivity at the cellular level, supports longevity and restores electrochemical balance.

People who have taken Ormus report many healing, rejuvenating and spiritually enlightening effects.
What is Ormus?
Ormus is a group of essential minerals previously unknown to modern science and used by ancient civilisations back to the Sumerians and Egyptians.

Why were they unknown?
Because they didn’t show up in common scientific tests.

What kind of minerals?
Minerals like Gold, Silver, Platinum, and they are in a different form, and in this other form, they are non-toxic. We are discovering that they are very common in plants, animals, air, soil and water. All of these Ormus materials can also be found in biological systems.

How is it beneficial?
It appears to assist communication between cells in the body and between the body and spirit.

Ormus seems to enhance energy flow in the microtubules inside living cells and repair DNA. It has proven to be beneficial to plants, and animals, and people who have taken Ormus report many healing, and spiritually enlightening effects.
